

THE NEWMAN ARMS

TRUMAN'S TAP W1

The Truman's revival, which started in 2010, sees one of the greatest names in British brewing history and London's most exciting independent craft brewers opening its first Tap House in the city. The brewery has taken London treasure, The Newman Arms in Fitzrovia – a favoured haunt of Dylan Thomas and George Orwell – and officially opens its doors on May 16th, 2018. As well as its reputation for a multi award winning range of craft beers, Truman's is reviving The Newman Arms' famed pie status for a smash hit combination.
